Subject: • Patent Disclosure - "Heterocyclic Carbonates as Release Agents for Phenolic Flavorants"

Attached is a disclosure entitled "Heterocyclic Carbonates as Release Agents for Phenolic Flavorants" prepared by K. Podraza. It represents a complete disclosure which includes experimental data. Since George Depaoli's previous work on carbonates have made him familiar with the subject matter, I feel this disclosure can be sent to him for preparation of an application. Enclosed is a copy of the literature pertinent to this parent disclosure.
